

## **2009 Betting On a Cure Benefits Rein In Cancer and Ally's House**

*2009-05-10*

The Betting On A Cure day at Remington Park in Oklahoma City on May 10 teamed great race horses, great fans and an even greater cause, with the day's activities benefitting Ally's House and Rein In Cancer. The event, hosted by the Oklahoma Quarter Horse Racing Association, featured live auction items including several "vacation" packages and a guitar donated by recording artist Toby Keith, who was on hand for photos and to autograph the guitar.
